## JEWELRY FROM THE FORGE [workshop]

*Marsha Trattner*  
Saturday-Sunday, June 2-3  
10:00AM-4:00PM

Learn to make unique jewelry in a unique way—from forged steel. This class will teach you hand forging techniques to transform steel into rings, necklaces, cuffs that can be as delicate or “statement” as you want. Students will need safety glasses, leather work gloves, and should wear jeans and non-flammable cotton shirt, and boots or leather shoes. **Fee payable with tuition \$45.00.**

Tuition: \$240.00  
**Members: \$216.00**

## FORGED WEARABLES

*Ellen Durkan*  
Friday-Sunday, June 22-24  
10:00AM - 4:00PM

Forge your own fashion! All levels welcome, class will focus on forging organic shapes and designing them to be wearable. You can design and make a bustier, chest protector, or cod piece; come with ideas or sort it out as you forge. Don’t worry, we won’t be hot fitting anyone into wearable pieces! Adding leather to your designs will be an option as well. So come out and forge! Students will need safety glasses, leather work gloves, and should wear jeans and non-flammable cotton shirt, and boots or leather shoes. **Fee payable with tuition \$45.00.**

Tuition \$360.00  
**Members \$324.00**

## OPEN FORGE

*Mace Vitale*  
Session A: 2 Wednesdays July 11 & 25  
Please note: no class 7/18  
Session B: 3 Wednesdays August 1, 15, 22  
Please note: no class 8/8  
6:00PM - 9:00PM

Here is a chance for Blacksmithing and Bladesmithing students to continue projects they have started, or start a new project they have been wanting to do under the guidance a working smith. Projects will be tailored to the individual student. Students will need safety glasses, leather work gloves, and should wear jeans and non-flammable cotton shirt, and boots or leather shoes. Pre-requisite of a beginner blacksmith or bladesmith class. **Fee payable with tuition \$20.00.**

**Session A:** Tuition \$90.00

**Members \$121.50**

## THE SWORD WORKSHOP

*Mace Vitale*  
Thursday - Monday, July 5-9  
10:00AM - 4:00PM

This is an intense 5 days of hard work. Students will create a European single handed sword. (More advanced students may elaborate). ***Students need to contact instructor prior to signing up.*** Open to advanced beginner to intermediate blacksmithing students. **Fee payable with tuition \$170.00.**

Tuition \$550.00  
**Members \$495.00**

## MAKING COOKWARE [workshop]

*Marsha Trattner*  
Saturday-Sunday, July 21-22  
10:00AM - 4:00PM

Make cookware and learn the art of blacksmithing! This class will teach you basic skills to make useful kitchen and BBQ utensils, emphasizing hand forging and individual expression. Transform steel round, square and flat stock, as well as sheet metal, into your choice of bottle openers, hooks, bowls, cheese knives, spoons, skewers, steak turners, egg spoon, and BBQ forks. Drawing down, slitting, twisting, spreading, scrolling, stretching and planishing are just some of the techniques that will turn plain metal into something beautiful and practical. The workshop culminates with riveting forged rod to hammered sheet steel to make your choice of a spatula, ladle, pie server or small pan. **Fee payable with tuition \$45.00.**

Tuition \$240.00  
**Members \$216.00**

## INTRO TO DAMASCUS STEEL [workshop]

*Mace Vitale*  
Saturday - Sunday, July 28-29  
10:00AM - 4:00PM

In this intimate 2 day workshop students will be introduced to the ancient art of pattern welded steel. Forge welding and pattern manipulation will be covered. Students should wear appropriate clothing and shoes for a workshop environment and have leather work gloves and safety glasses. **Fee payable with tuition \$170.00.**

Tuition \$250.00  
**Members \$225.00**

## INTRO TO BLACKSMITHING

*Greg Amende*  
Saturday - Sunday, August 11-12

This workshop will introduce students to the basics of forging steel to shape using a hammer and an anvil. Students will need safety glasses, leather work gloves, and should wear jeans and non-flammable cotton shirt, and boots or leather shoes. **Fee payable with tuition \$45.00.**

Tuition \$240.00  
**Members \$216.00**

## KITCHEN KNIVES [workshop]

*Matt Parkinson*  
Saturday - Sunday, August 18-19  
10:00AM - 5:00PM

Preparing meals with tools of your own manufacture can bring a new joy to making dinner. In this workshop students will forge a 5-7” kitchen knife blade from high carbon steel. After heat treating and polishing the blade a wooden and horn handle will be made and attached. Topics covered will include blade geometry, heat treating, design and construction methods. Students should wear appropriate clothing and shoes for a workshop environment and have leather work gloves and safety glasses. **Fee payable with tuition \$50.00.**

Tuition \$280.00  
**Members \$252.00**

# Ceramics

*Student’s clay must be purchased in class (\$29 or \$32/bag); tool kits (\$14 + tax) also available. Please bring cash or check. Lab and clay fees cover costs of firings and glaze materials. Tuition includes bench time.*

## OLD METHODS, MODERN POTS

*Alice Chittenden*  
9 Mondays beginning June 18  
9:30AM - 12:30PM

Mankind has been making pots out of clay for thousands of years. The methods of pinching, coiling, and slab working are essentially the same as they have always been. What has changed are the clays we use, the tools readily available to us, numerous glazes and more fuel efficient kilns. In this class you will learn hand building methods as well as how to throw on the potter’s wheel. We will be looking at images of pots both old and new to see how styles have changed. Where you choose to find your inspiration is up to you. Glazing and other surface treatments will be used to finish your work. A raku firing will take place during the last class. **Fee payable with tuition \$30.00.**

Tuition \$297.00  
**Members \$267.30**

## FROM FORM TO FOOD

*Deborah Staub Luft*  
9 Mondays beginning June 18  
7:00PM - 10:00PM

This is a class for students who see pots and think food. Students will learn wheel throwing, designing and glazing techniques with an eye to the function of the pot. Sometimes the function of the pot is to open the potter to the sheer power and element of unpredictability inherent to the firing process, so students will participate in a “last- class raku firing.” **Fee payable with tuition \$30.00.**

Tuition \$297.00  
**Members \$267.30**

## INTRODUCTION TO THE POTTER’S WHEEL

*Claudia Schiavone*  
9 Tuesdays beginning June 19  
6:30PM - 9:30PM

Always wanted to learn how to use the Potter’s Wheel? Make your first pots from start to finish. Participants will learn the basics of centering clay and throwing bowls and cylinders on the wheel. Basic surface decoration and glazing techniques will also be demonstrated. Wear clothes that you don’t mind getting dirty! **Fee payable with tuition \$30.00.**

Tuition \$297.00  
**Members \$267.30**

## THROWING POTS

*Justin Gerace*  
9 Wednesdays beginning June 20  
9:30AM - 12:30PM

Make functional as well as sculptural pieces using a variety of techniques. Create works of art in clay utilizing the process of wheel throwing. Techniques covered: centering, pulling, shaping, altering, trimming, refining and decorating. Learn to glaze, and about the method used to fire works. **Please note: no class 7/4. Fee payable with tuition \$30.00.**

Tuition \$297.00  
**Members \$267.30**

## POTTERY ON & OFF THE WHEEL

*Stephen Rodriguez*  
8 Wednesdays beginning June 20  
7:00PM - 10:00PM

This is a chance for beginners to intermediate students desiring to both develop and push ahead with their techniques in forming and glazing pottery. Explore shape making on and off the wheel. Working either with stoneware or porcelain, there will be instruction and demonstration of the way I treat and think about high fire pottery. **Please note: no class 7/4. Fee payable with tuition \$30.00.**

Tuition \$264.00  
**Members \$237.60**

## EXPRESSION IN CLAY

*David Frank*  
9 Thursdays beginning June 21  
6:30PM - 9:30PM

Express yourself making a wide variety of pottery forms. Both hand building and throwing skills will be used. Extra attention will be spent on decoration with clay, slips, and glazes. **Fee payable with tuition \$30.00.**

Tuition \$297.00  
**Members \$267.30**

FRIDAY NIGHT ART:  
POTTERY [workshop]

Claudia Schiavone  
Session A: Friday, July 13  
Session B: Friday, August 24  
6:30PM - 9:30PM

Join us for one or for all three of these fun introductory evenings in the pottery studio. Create a unique one-of-a-kind piece of pottery using simple techniques working with clay. Various tools and engobes will be used to add texture and color. Come have fun with friends and get a little messy. Feel free to bring your own wine or beer or refreshment.

Tuition \$55.00  
Members \$49.50

THE ART OF UNDERGLAZING  
[workshop]

Justin Gerace  
Saturday - Sunday, July 21-22  
10:00AM - 4:00PM

A hands on two day workshop that teaches participants how to utilize underglaze painting to build unique compositional narratives on thrown and altered forms. The workshop will include a slide presentation, demonstrations on forming, altering, and decorating, as well as a discussion that evaluates the techniques covered in the process and pieces created. **Fee payable with tuition \$20.00.**

Tuition \$132.00  
Members \$118.80

TURNING USELESS [workshop]

Lisa Wolkow  
Saturday - Sunday, August 11-12  
1:00PM - 5:00PM

Turn your thrown pots into “useless objects” or better known as abstract form. This workshop is designed for students that have been throwing functional pottery and want to try creating ceramic sculpture using thrown forms. We will throw many forms on the first day and alter, cut and reassemble on day two. Slip and underglaze application will be discussed and applied. **Fee payable with tuition \$20.00.**

Tuition \$88.00  
Members \$79.20

POTTERY INTERSESSION:  
OPEN STUDIO

3 weeks beginning August 20  
Monday, Wednesday, Friday, Saturday,  
9:00AM - 12:00PM

For currently enrolled students who would like a little more time in the studio, this session offers you an additional 3 weeks of scheduled hours (12) per week. The sessions will be monitored by the resident potter. **Students who attend must be registered in a summer 2018 ceramics class.**

Tuition \$180.00  
Members \$162.00

Drawing

EVERYONE CAN DRAW

Scott Paterson  
9 Tuesdays beginning June 19  
6:30PM - 9:00PM

We’ll draw with graphite pencil, learning about line, dark and light values, composition and more. We’ll turn the ordinary into the sublime, working from still lifes (and other things) of your design. Please bring a few soft pencils (6B to 9B) and a 9”x12” sketchpad to the first class.

Tuition \$225.00  
Members \$202.50

DRAWING & WATERCOLOR

Sharon Schmiedel  
6 Thursdays beginning July 12  
9:30AM - 12:30PM

This class is a great primer for sketching on location. It will combine drawing with some simple watercolor techniques and pen that works well for producing on the spot paintings. Students will learn to see and draw the basic shapes of people, buildings and landscapes; and how to add details to these forms. Weather permitting we will spend some class time sketching in downtown Guilford. Instructor will give demos to guide students but encourages a playful approach and experimenting with the materials. Drawing experience helpful but not required. To first class bring what supplies you have and we will go over a suggested supply list in the first class.

Tuition \$180.00  
Members \$162.00

DRAWING OUTSIDE [workshop]

Dolores Marchese  
Saturday, June 30  
1:00PM - 5:00PM

Students will work from nature and architecture around the art center using one or more of the following materials: pencil, charcoal, soft pastel or oil pastel. Emphasis will be on perspective, composition and use of light and dark values to achieve a three dimensional effect. In case of rain, class will be held in the studio.

Tuition \$40.00  
Members \$36.00

Collage & Paint Wild Flora & Tropical Fauna with McCrady Axon

Fiber

WET FELT MERINO:  
SILK COWL [workshop]

Judy Pascale  
Saturday, July 14  
11:00AM-4:00PM

This wet felted cowl neck piece is created using a silk and merino wool blend fiber. The fiber is variegated to provide rich color and the silk donates the fluid drape as well as the stunning but subtle shine to the finished piece. Finally, the unattached leaf-style magnetic closure offers unlimited ways to wear this fashionable scarf. **Fee payable with tuition \$15.00.**

Tuition \$70.00  
Members \$63.00

MAKING FELTED WOOL  
BEADS [workshop]

Diane Cadrain  
Saturday, August 11  
1:00PM - 4:00PM

Participants in this class will use the softest of materials, wool roving, to create multi-colored felted beads by rolling the roving between their palms. The process also involves the use of hot water and soap. Each participant will be asked to bring a towel. This class will not include the stringing of the beads, as they need time to dry. There will be discussion of finishing concepts and techniques. **Fee payable with tuition \$20.00.**

Tuition \$40.00  
Members \$36.00

Glass

GLASS MOSAIC SELF  
PORTRAITS [workshop]

Christa Lorusso  
Saturday - Sunday, July 21-22  
10:00AM - 4:00PM

Students will study the history of self-portraits and be inspired by artists like Matisse and Van Gogh and create their own image in this unique medium of glass. The final project will be a glass mosaic style, approx. 9” x 12”. Finished pieces will be fired in a kiln with hooks attached, ready to hang in a window or on a wall, and require pick up at a later date. **Fee payable with tuition \$50.00.**

Tuition \$120.00  
Members \$108.00

LAMP WORKED GLASS  
BEADS [workshop]

Stephanie Maddalena  
Saturday - Sunday, July 28-29  
10:00AM - 4:00PM

Students will learn to use a torch to melt glass rods, creating personalized colorful beads. Many decorating techniques will be demonstrated, including enamels, metal foils, flowers and more. **Fee payable with tuition \$25.00.**

Tuition \$220.00  
Members \$198.00

INTRODUCTION TO FUSED  
GLASS [workshop]

Christa Lorusso  
Saturday - Sunday, August 4-5  
10:00AM - 4:00PM

Discover the exciting and colorful world of glass fusing. Students will experiment with a variety of compatible art glass to produce different effects while creating multiple projects. You will learn how to cut glass, various powder applications, and the science behind glass kiln schedules will be discussed. Projects include sun-catchers, trinket dishes, and creating leaf fossils in glass using seasonal foliage. All glass projects will be fired in a kiln and require pickup at a later date. **Fee payable with tuition \$60.00.**

Tuition \$120.00  
Members \$108.00

LOST WAX CASTING  
[workshop]

Lanette Barber  
Saturday - Sunday, June 9,10, 16, 17  
9:30AM - 5:00PM

Lost wax casting is a method where a wax form is made, stabilized in a plaster-like mold, the wax is melted out, metal is forced into the cavity, the mold is washed away and you are left with your work of art. This class will take you through various types of wax, methods of constructing works out of wax and the steam casting method. Each student will learn through demonstration and hands on experience from the wax to the finished piece. Basic metals experience is suggested but beginners are welcome. **Fee payable with tuition \$50.00.**

DISCOVER PRECIOUS  
METAL CLAY [workshop]

Nancy Karpel  
Sunday, August 5  
10:00AM - 3:30PM

Have fun working with Precious Metal Clay (PMC). It looks and feels like clay, but is actually pure silver in an organic binder, and it requires no previous jewelry-making experience. You will learn all the basic information and techniques for forming, surface texturing, firing, and finishing PMC. Flush setting of lab grown gemstones will also be covered, and (optional) inexpensive stones can be purchased in class. Great for beginners, jewelry students, clay artists, bead makers, and others! You will have the opportunity to finish and take home your unique pieces of fine silver jewelry. Come and discover the many design possibilities of this exciting material! Materials fee of approx. \$100.00 is payable to instructor at class and includes PMC, use of tools, supplies and handouts.

WATERCOLOR YOUR  
GARDEN & TRAVELS

McCrady Axon  
5 Tuesdays beginning June 19  
9:00AM - 12:00PM

Fresh, nuanced color, compositional use of white space, and calligraphic mark making are the elements that make inspiring watercolors. Watercolor is a process and a method: once you learn the mechanics using still life and flowers, you can proceed to the expression of spirited paintings of vitality while documenting your environment. Bring your garden photos, watercolor pad, a watercolor wash brush, and tubes of Lemon Yellow, Blue, Rose/Magenta.

Tuition \$150.00  
Members \$135.00

CATCH THE SUMMER LIGHT:

REALISTIC WATERCOLOR  
VIA TRANSPARENT WASHES  
[workshop]

Jennifer Littleton  
Saturday - Sunday, July 7-8  
10:00AM - 4:00PM

Have you wondered how a realistic watercolor artist creates atmospheric perspective? Visiting artist J. M. Littleton will reveal her process of how she begins with a preliminary drawing and light washes to develop them into realistic images. Students will also learn about color theory to enhance the depth of field in their paintings. Further, participants will bring in images (with a strong light source) to develop a painting. Students of all ability levels welcome.

Tuition \$200.00  
Members \$180.00

YOUR GARDEN IN  
WATERCOLOR [workshop]

McCrady Axon  
Saturday - Sunday, August 18-19  
9:30AM - 1:30PM

Fresh, nuanced color, compositional use of white space, and calligraphic mark making are the elements that make inspiring watercolors. It is a classical pastime to the English, who love to document the garden isle they inhabit. Watercolor is a process and a method. Once you learn the mechanics you can proceed to the expression of spirited paintings of vitality while documenting your environment. Supplies: Use art center supplies or bring basics: a wash brush, watercolor paper or approx 9x12" block, watercolor tubes lemon yellow, cobalt blue, rose/magenta. Bring some garden photos.
