The shop at Guilford Art Center is open year-round, 7 days a week. It features an ever-changing array of fine craft by American artisans.

For holiday shopping, The Shop expands into the gallery for the "Artistry" event, held November and December. This annual shopping event features work by over 200 American artists in a wide range of categories, including ceramics, candles, glass, jewelry, clothing, accessories, ornaments, stationary, leather goods, wood, toys, specialty foods, and more. Scores of new artists are featured each year, as well as favorite returning artists. Special events take place throughout the season. Proceeds benefit the exhibiting artists and the Center's educational and community programs. All GAC members receive 10% off purchases.
