Guilford Art League announces its

73rd Annual Juried Exhibition & Sale

September 13 - October 2, 2021

A Juried Show for Connecticut Artists at the
Mill Gallery, Guilford Art Center, Route 77, Guilford, CT

JUROR

Lenny Moskowitz

Lenny Moskowitz is a Connecticut landscape painter who lives in New Haven. He graduated with his B.F.A. from the Philadelphia College of Art and received his M.F.A. from Michigan's Cranbrook Academy. Lenny has participated in both group and solo shows at numerous galleries throughout the U.S. and has taught classes and workshops in Connecticut, Block Island, and Nantucket. He has been awarded several artist residencies, including at the Anderson Center in Michigan and at the NISDA Foundation on Nantucket, MA, and Weir Farm in Wilton, CT. He makes yearly painting trips to Nantucket, and frequent sojourns to the surrounding the Connecticut woods to paint the landscapes.

In terms of his criteria for judging a show, he says that the artists' skill sets and techniques are important, but equally important is originality! If the subject is familiar, it must be presented in an original way.

The Guilford Art League was founded in 1947 by a small group of local artists. The objective of the art league is to promote and stimulate interest in the visual arts. Members and associates of the Guilford Art League are a participating and interactive group of artists who learn and benefit from their association with one another.
