JUROR

"It was my honor to select artwork for this year's Guilford Art League Exhibition. I was impressed by the high quality and variety of the one hundred and ninety-one works submitted and decided to accept only one work by each artist in order to have the largest number of artists participate. In selecting the eighty-five works on exhibit I sought to assemble a cohesive exhibition that displayed a full range of media and subject matter. I want to thank all the artists for submitting their artwork for consideration and hope the exhibition offers an opportunity for everyone to be inspired and find renewed energy to return to the studio and to continue making art."

— JEANNE CIRAVOLO
