#### JUROR

*Alexa MacCrady*

*Alexa MacCrady has been active in the contemporary art world since early solo exhibitions in the NYC East Village in 1986, and in Paris using the pseudonym Lady MacRady. Classically trained at an early age, she sought professors of theory: Pop, Action Painting, AbEx, Conceptual. After a Syracuse University VPA BFA, she gained notice for editorial art in major New York media and publishers until her thesis on The Sublime and MFA from Hunter College CUNY. Solo and museum biennials and shows continue to the present. An adjunct art professor, she also teaches adult painting at Guilford Art Center. Her studio in Madison is on the Shoreline Arts Trail. "I'm looking for work that reaches beyond the expected best skills, to reveal personal themes and theories.*

*What is it to live in this era? Do viewers 'read' art,  
and can art persuade?"*
